DOE - Information Security Server (DOE-IS)

William J. Orvis

DOE Computer Security Conference

Seattle, April 22-26, 1996
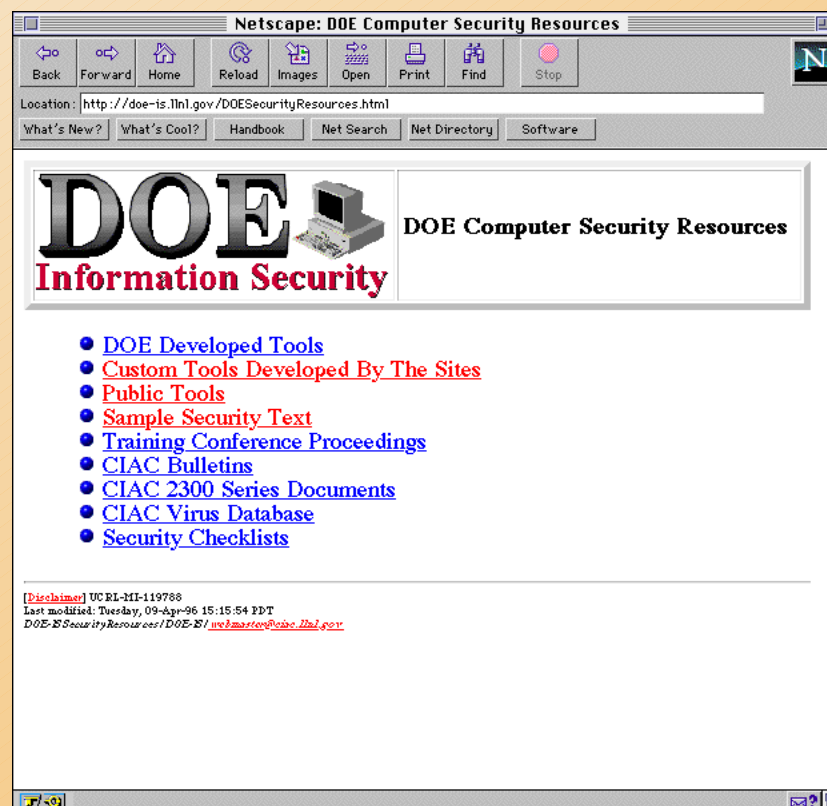

UCRL-MI-123879

CIAC
Computer Incident Advisory Capability

What is the DOE-IS Server?

- **Most sites within the Department of Energy and its contractors use or develop tools and documents relevant to information security.**

- **The DOE-IS Server is central location for users within the DOE to obtain information security tools and documents.**

- **The DOE-IS Server is a central location for tool and document developers within the DOE to make their tools available to a wider audience.**

- **The DOE-IS Server is accessible over the Internet using WWW and FTP.**

CIAC
Computer Incident Advisory Capability

"Free" Advertising is Available For Information Security Resources

- **Any tools or documents related to information security are candidates for inclusion.**

- **It is a place for DOE contractors to "advertise" the availability of new tools and documents.**

DOE-IS Security Resources / DOE-IS / webmaster@ciac.llnl.gov

Three Classes of Security Resources
## Are Available On The Server

1. **DOE Developed Tools - Developed under a contract.**

2. **Custom Tools - Developed as part of operations.**

3. **Public Tools - Available over the public networks.**

CIAC
Computer Incident Advisory Capability
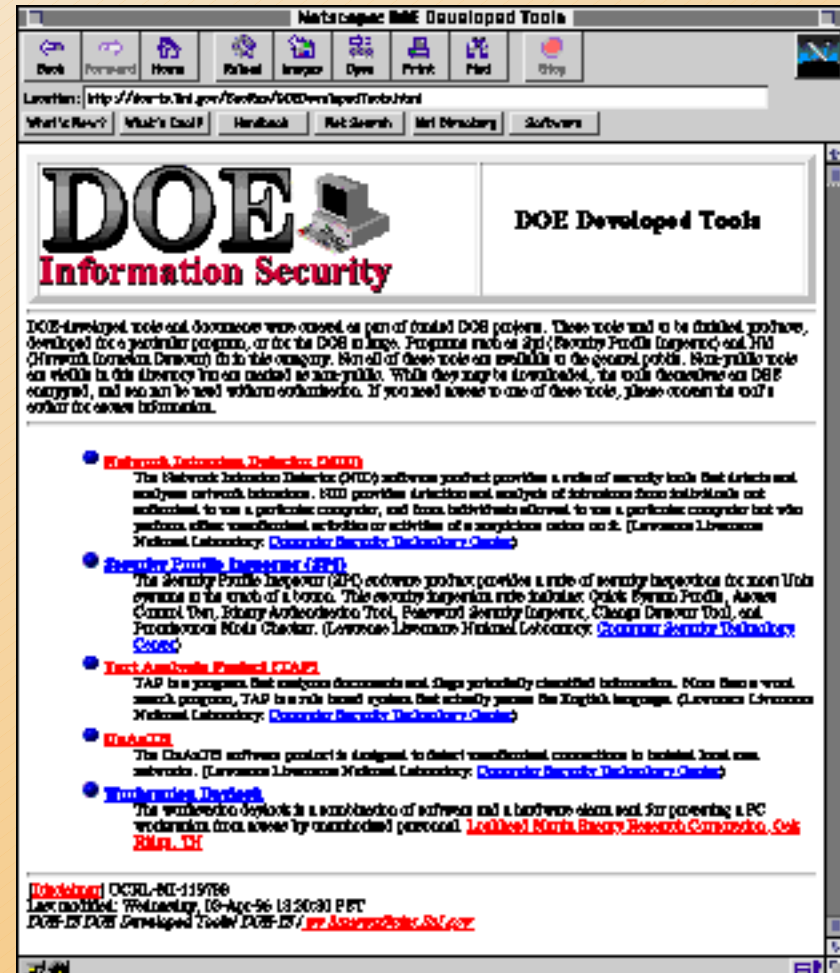

There Is Full Access
# To The CIAC Virus Database

New

- **The CIAC virus database is now available online to provide point and click access to virus information.**
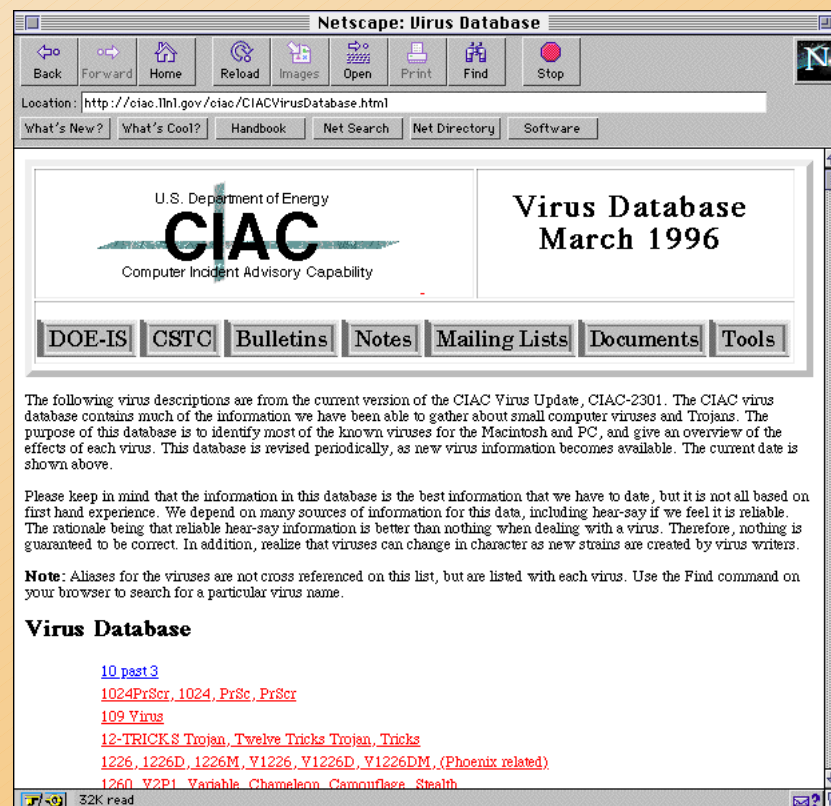

ALL CIAC 2300 Series Documents
Are Available Online

- **The fully formatted documents are available as Adobe Acrobat files.**

- **The Acrobat Reader is available for Mac, MS-DOS, Windows, and UNIX platforms at no charge.**

**CIAC**
Computer Incident Advisory Capability

Storage is Available For Cooperative Research Projects

- **Pages used by these projects are public or private depending on the needs of the projects.**
  - **AIS Alarms**
  - **User Needs Database**

The Preferred Access Method Is World Wide Web

- **http://doe-is.llnl.gov**

- **Most pages have open access.**

- **Protected pages are available for items needing controlled access.**

- **FTP access is available at: ciac.llnl.gov**
